

MOTION BY SUPERVISOR YVONNE B. BURKE

JUNE 28, 2005

AMENDMENT TO ITEM 25

The Department of Health Services is funding the Mentoring and Tutoring Program for Nursing Students at East Los Angeles College, Glendale Community College and Los Angeles Valley College in an effort to address the nursing shortages in the County system. This program provides academic and clinical training as well as preparing nursing students for professional licensure.

Given the limited location of the three participating campuses, it would be prudent to make this program more accessible by expanding it geographically to include locations in South Los Angeles.

I THEREFORE MOVE THAT the Board of Supervisors direct the Department of Health Services (DHS) to expand the Mentoring and Tutoring Program for Nursing Students to include colleges in South Los Angeles by augmenting total program funds to service these institutions proportionately with other participating colleges;

I FURTHER MOVE THAT this Board direct DHS to report back to this Board with its progress on such expansion within 45 days.
